

YUCO TALK: OLIVER STRIMPEL ON THE HISTORY OF COMPUTING

On Thursday, January 22nd, at 5 pm in AKW 200, Oliver Strimpel will be speaking about the history of computing.

Oliver Strimpel was the first executive director of the Computer History Museum. The museum, according to its website, is "the world's largest history museum for the preservation and presentation of artifacts and stories of the Information Age." Mr. Strimpel is now a patent lawyer at a software company.

We'll have dinner with him after the talk.
